

The Hidden Teacher: Ideology and Children's Reading

Peter Hollindale's 'Ideology and the Children's Book' (1988) received the Children's Literature Association Award as the outstanding critical article of its year and has become a standard reference for students. For *The Hidden Teacher* he has written an exemplifying companion piece and other new chapters. The collection also includes two associated articles originally published in *Signal*.

CONTENTS

The Critic and the Child / Ideology and the Children's Book
Ideology in Practice: E. Nesbit's *The Railway Children*
Two Ways of Reading / The Darkening of the Green
Hope Against Hope
